

*Signature* is made from 100% Cabernet Sauvignon grapes. Limited in production, only seven barrels were chosen for the final blend. This wine is primarily made from a vineyard on the west side Paso Robles with a single barrel of fruit from the Santa Cruz Mountains.

*It is a bold wine, which is only appropriate since it was created with the noble Cabernet Sauvignon grape. This wine is primarily comprised of Cerro Prieto Vineyard in Paso Robles with a touch of Bates Ranch blended in. All the barrels of these two wines were tasted to create a well-constructed wine with balance and elegance.*

*This wine is a very rich color of claret. With a slight swirl you will notice the weight of the wine and its silky appearance. The nose gives off scents of plum and prune with subtle hints of pomegranate. The palette a deep cherry flavor kissed with American Oak. This wine is full bodied with a finish that cleanses the palate and leaves you wanting another glass.*
